ABOUT US

T-M Lilierto is a medical equipment supply business established in 2026. It is dedicated in providing high quality equipment from world class manufacturers to local health-care providers, ensuring access to diagnostic equipment that meets Philippines safety standards.

Our goal is to support hospitals, clinics, and medical professionals with dependable equipment that improves patient care and operational efficiency.

OUR SERVICES

Strategic Sourcing: Medical equipment and Hospital Supply.

Technical Consultation: Expert guidance on equipment selection and facility set up.

End to End Support: Comprehensive after sales maintenance and repair services.

WHY CHOOSE US

Premium Technology: High-tier medical system source from world-leading manufacturers.

Regulatory Compliance: Fully compliant with Philippine medical and safety standards.

Value Driven Pricing: Competitive rates without compromising on equipment integrity and service.

Expert Support: dedicated technical assistance and professional after sales care.

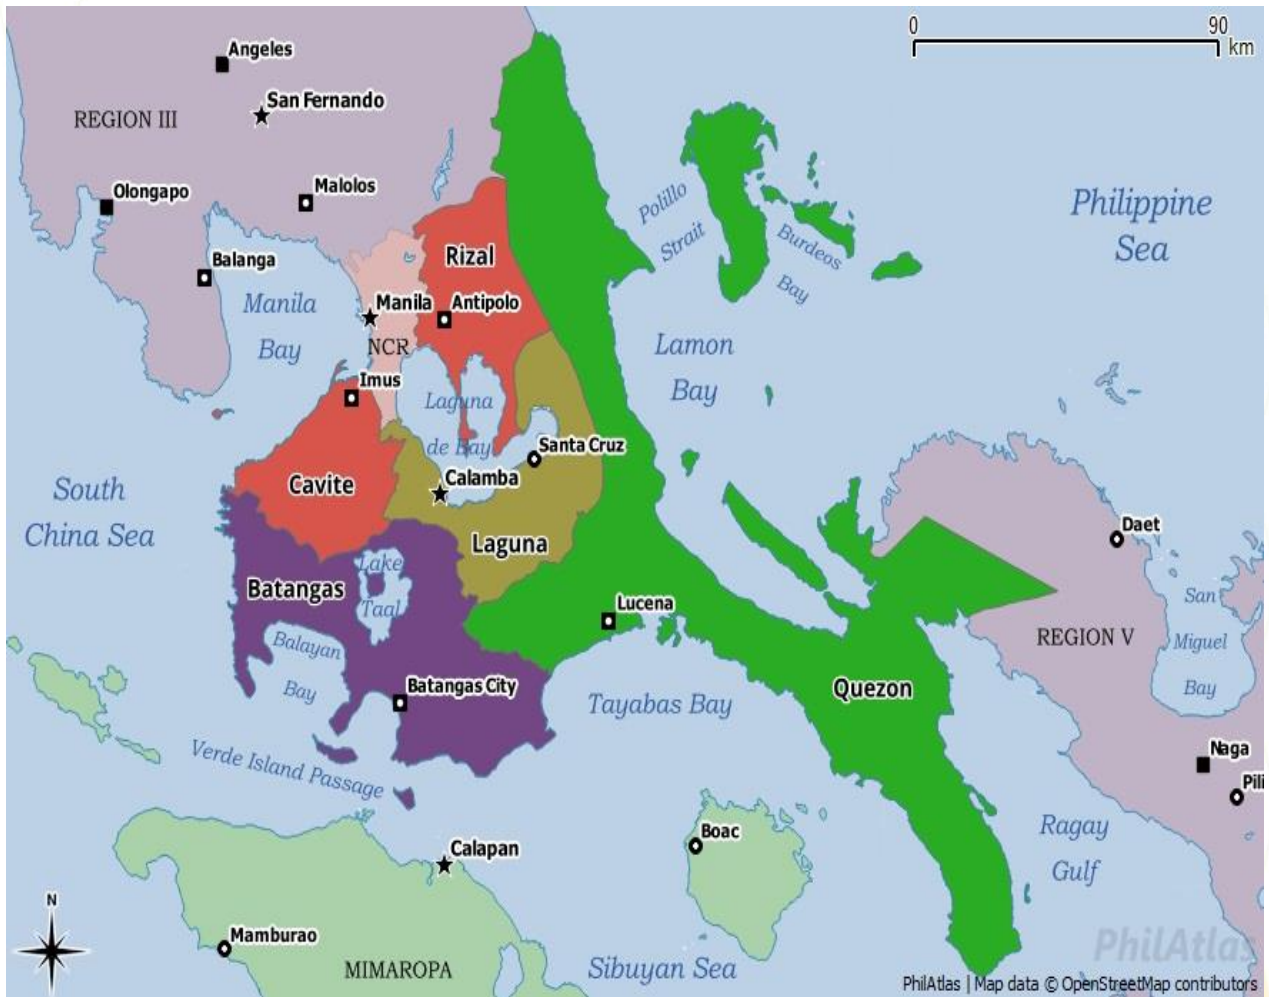

Swift logistics: On time delivery to keep your facility running without interaction.

Direct Korean Import: Our machines are directly imported from South Korean leading manufacturers ensuring genuine parts and direct factory-level after sales support.

QUALITY & STANDARDS

At **T-M Lilierto**, quality and patient safety are at the core of everything we do. Every machine in our portfolio is rigorously selected to meet both international benchmarks and the specific regulatory requirements of the Philippines.
